Supra eKEY apps: an enhanced showing experience at your fingertips
The showing matters just as much as the listing.

Home buyers expect a level of service that stays a step ahead of their needs. That’s why it’s essential to provide an experience that not only keeps you close to the latest listing and showing information, but that also matches their connected life.

Count on Supra eKEY apps to help you build strong connections with home buyers. Stay in-step with home buyer preferences—even automatically receive and share feedback on showings. Have confidence you’re working with a proven leader in keybox management and real-time showing information, delivering an interconnected digital experience to delight home buyers.

**Unlock new ways to work with home buyers**

- **Supra eKEY Basic:**
  - 1st app for accessing listings, managing keyboxes, and delivering real-time wireless access to showing information

- **Supra eKEY Professional:**
  - 1st app for accessing listings, managing keyboxes, and delivering real-time wireless access to showing information

- **Supra Home Tour:**
  - 1st app for accessing listings, managing keyboxes, and delivering real-time wireless access to showing information

**Home Tour**

Add value and better understand your home buyers by helping them stay connected to the showing experience.

**Instant and at your service**

- Capture home buyer preferences automatically in real-time—enable them to easily share feedback with their friends and family.
- Help home buyers never forget a home—give them the power to rate homes and their favorite properties.
- Stay up to date with home buyer preferences to help close sales faster.

**Supra eKEY Professional and Home Tour**

Get seamless access to real-time data and information, and connect with home buyers in new ways with an innovative app designed just for them.

**eKEY Professional**

View listing and showing information anytime, create real-time showing notes, and get all of the great features of eKEY Basic—all in one app.

**Smart insights**

- View and search MLS listings and agent rosters—even when offline—and easily connect with other agents.
- Create real-time property notes for buyer’s agents to view when opening the keybox.
- Easily access your list of buyers and invite them to engage with the Supra Home Tour app in an instant.

**Confidence and peace of mind**

- Quickly and easily show properties using the phone's biometric feature—or even the Apple Watch®.
- Receive real-time alerts and notifications so you can elevate visibility at properties.
- View map and turn-by-turn directions to listings at the tap of a button.

**eKEY Basic**

Get efficient access and powerful information in a new, modern look and feel—it’s simple to manage keyboxes and access showing information wirelessly.

**Quick access, real-time information**

- Easily gain access to properties—set access hours to listings, change keybox shackle codes in an instant, and track keybox inventory.
- Get real-time data at the door, including a listing photo and current property notes.
- Quickly and easily show properties using the phone’s biometric feature—or even the Apple Watch®.
- Receive real-time showing information when showings start and end.
