

Open an iBox BT or iBox BT LE with your Android™, Apple®, or BlackBerry® Device

To view a list of compatible devices, visit www.supraekey.com and select the **Compatible eKEY Devices List** button link.

BlackBerry 10 devices are not supported at this time.

To open a Bluetooth® iBox, start the operation on your device. When prompted, press up on the bottom of the iBox to turn on Bluetooth in the iBox. A red light on the iBox flashes letting you know Bluetooth is on and ready.

BlackBerry users:

After communicating with a Bluetooth iBox you are prompted to delete the Bluetooth pairing entry.

1. Select **Bluetooth Settings**.
2. Select **Supra Keybox** from your list of Bluetooth paired devices.
3. Select **Delete Device** and then **Delete**.
4. Press the Escape (back) key and **Done**.
5. Press the back arrow to return to the eKEY software.
