

How to *Set up Alerts*

XpressKEY®

1. Log into SupraWEB.
2. Select the *XpressKEY Alerts* link.
3. Accept the EULA.
4. Add the information and click **Save**.

Recipients receive an email indicating their email ID will receive showing notifications.

1. Log into SupraWEB.

The screenshot shows the SupraWEB login interface. At the top left is the Supra United Technologies logo. The main content area is divided into two sections. The upper section is titled 'Login' and contains the following elements: a 'User ID' input field with a red asterisk, a 'Password' input field with a red asterisk, a 'Forgot Password?' link, a 'Remember User ID' checkbox, and a 'Login' button. The lower section is titled 'New User Registration' and contains the text 'First time user? Please create an account now.' and a 'Register' button. On the right side of the page, there is a partial view of a sidebar with the text 'Welcome to t', 'Registered Su', 'and password', and 'New SupraWE'.

NOTE: In order to use this feature your board or association must “opt-in” to the service first.

Recipients receive an email indicating their email ID will receive showing notifications.

2. Select the *XpressKEY Alerts* link.

The screenshot shows the SupraWEB Management Website dashboard. The Supra logo is in the top left, and the user name 'Bria Jones [Log Out]' and 'SupraWEB Management Website' are in the top right. A navigation menu includes HOME, LISTINGS, REPORTS, SETTINGS, BILLING, and SUPPORT. On the left, a 'QUICK LINKS' section contains 'Update Code', 'Identity Keyholder', 'XpressKEY Alerts' (highlighted with a red box), and 'Add Keybox'. Below this is a 'CONNECT WITH US' section with a Facebook link. At the bottom left is an 'ONLINE ORDERING' section with the text 'Order Supra accessories online! Click Here'. The main content area is titled 'Showings Dashboard' and contains a welcome message, a date range selector (9/20/2014 to 10/20/2014), and a message stating 'There are no showings for the date range specified in the dashboard.'

End User License Agreement - Keyholder

PRODUCT AND SERVICE

XpressKEY Alert allows authorized XpressKEY Keyholders to send a pre-defined email message from an XpressKEY to a maximum of three (3) selected contacts.

Keyholder must enable the feature on KIMWeb and enter the desired text message to transmit, along with the email address of the contact(s). When the Alert button is pressed and held for three (3) seconds, the XpressKEY will attempt to transmit the pre-defined message to Supra's servers. Upon receipt, the GE servers will then forward the message to up to three (3) email contacts entered by Keyholder.

If the XpressKEY is not within cellular coverage, a message will be displayed indicating that it is outside cell coverage and that the message will be sent as soon as cell coverage has been acquired. Once the XpressKEY Alert message is
